Phoenix, Arin, Aug. 1.—Some rapid changes have been made the last few draw in the plans of the "Frogressive leaders who are arransing a state ticket. The present plan is to run Geo. W. Young, of Phoenix, for governor, and Dr. J. E. Nelson, of Mesa, for United States senator. PINED ON CHARGE OF

INSULTING A WOMAN

L. Dupont a Frenchman, was fined
fie in the corporation court Saturday
morning, on a charge of insulting a W. Young, of Phoenix, for governor, and Ir. J. E. Nelson, of Mesa, for United States senator.

A few days ago it was generally thought that H. S. Clark, of Present, would be the candidate for governor, and that Dwight S. Heard, recognized boss of the Bull Moose nerd in this state, would be out for the senate.

Clark Declines to Hum.

Negotiations with Chark, however, have been abruptly broken off Clark never gave his consent, but it is known positively that at one time Heard, Alexander et al. had him almost persuaded for some reason they were unable to arranke any satisfactory deal with him.

After giving up Clark the leaders turned their attention to H. B. Wilkinson, one of Heard's legal wheel horses. Like Thomas E. Marshall, of Tucson, whom the Progressives' at one time planned to ran for governor, Wilkinson was in California and, like Mrs. Marshall, she wired that her provision that I is wife did not object. Ars. Wilkinson was in California and, like Mrs. Marshall, she wired that her husband was not going to run for governor if she had anything to say about it.

Woman a Candidate.

Mrs. E. N. Phillips, scarcetary of the Phoenix Y. W. C. A., has agreed to run for state superintendent of schools. She is likely to be the only woman out for state office this year and it is believed that she will poil the votice of many woman for the "Progressive" ticket.

PUBLICITY FOR THE RIO GRANDE VALLEY The Rio Grande irrigation project is iven publicity in the monthly Recin-

given publicity in the monthly Recin-mation Record, a publication devoted to notes and articles connected with the reciamation service. Statistician C. J. Blanchard has an article en a tour of the Bio Grande project. In an-other article a photograph is shown of the diversion dam near Hart's mill, showing the cement lining of the Franklin canal under construction, and Peace grove in the background. CATTLE AT EASTERN FAIRS
Mess, Aris, Aug. 1.—Frank Reed
Saunders probably the most successful breeder of blooded cattle in
Arizona, will leave next week for a
swing around the eastern fair circuit
with some of his finest Ayrahires,
Guarnesys and Dutch Belted stock.
He will visit the fairs of Ohio, N. or
York, Tenngasee and several other
other states, returning in time for the
